**COMPANY OVERVIEW**

**Transformed Vision: Driving Innovation & Global Excellence**  
 Founded in 2007, Transformed Vision was established to provide expert-driven consulting, setting itself apart through rigorous vetting and a commitment to true expertise. We take on services where our leadership team has direct, hands-on experience, ensuring deep competency across all engagements. Our approach prioritizes quality over quantity, engaging only professionals with proven expertise to deliver meaningful, results-driven solutions. We maintain integrity by avoiding unvetted placements, outsourcing critical tasks, or misrepresenting contributions.

As a woman-owned small business operating across the United States and three international markets, we provide sustainable solutions and expert advisory services. With a strong global presence and digital expertise, we empower organizations to organize, transform, and operate efficiently in an ever-evolving business landscape.

**WHY CHOOSE US**

- ❖ Individualized Approach for Clients with Great Level of Effort and Attention
- ❖ 15+ Years of Experience Leads to the Toughest Vetting Process for Consultant Hiring
- ❖ Hire Industry Best Resources with High Quality Values and Ethics
